

McKenzie Electric Cooperative, Inc.
Scholarship Program
2010

The McKenzie Electric Cooperative (MEC) scholarship program awards two scholarships in the amount of \$500 each. One scholarship is given to a student with an interest in an electrical related curriculum at an accredited college, university or technical school. The other scholarship is given to a student planning to attend any accredited college, university or technical school.

Eligibility: Applicants must be U.S. citizens and the dependents of member system consumers who are permanent residents within our service area. Applicants must be high school seniors planning to enroll full-time in a course of study at an accredited two-year or four-year college, university or vocational/technical school.

Application

Form: *Complete form neatly and legibly. Attach a copy of your high school transcript and ACT/SAT scores. Also enclose two letters of recommendation, one from a teacher or employer and another from someone not related to the applicant. The applications are judged on community and school activities, grades, honors and career goals and employment.*

Scholarship

Check: Checks will be made payable jointly to the student and the school of their choice and must be endorsed by both parties.

Deadline: April 9, 2010
